- [Uncle Sam](#)
- [Quaker Haha](#)

News:

- 2020-05-14: layout v5, new host, updated PHP code, removed dictionary image
- 2005-06-01: hotlinking temporarily disabled
- 2004-10-26: not enough visitors, please tell your friends
- 2004-10-25: layout v4, hope this will keep looking nice for some time

4. Méthode d'introduire texte avec l'image

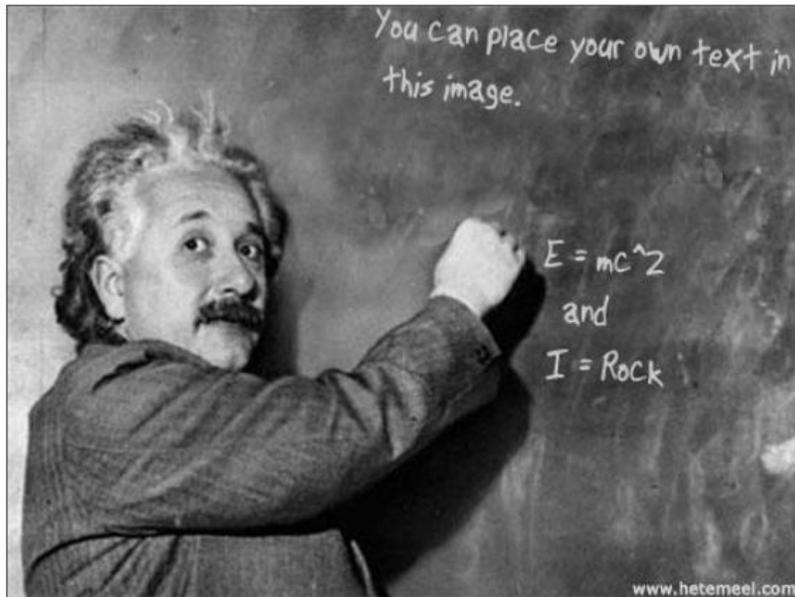

Dynamic Einstein picture

You can make Einstein write whatever you like on the chalkboard. Change the text in the form below, then click on "Change image". Your text will appear on the chalkboard next to Einstein. Align the text with spaces and enters.

You can place your own text in this image.

E = mc²
and
I = Rock
